Solar Energy Use in Outdoor Swimming Pools SOLPOOL

**List of outdoor swimming pools awarded with the SOLPOOL info
panel in Slovenia**

The SOLPOOL information panels were distributed to the following list of pools in order to be displayed during 2009. The selection criteria were basically:

- swimming pools with already installed solar thermal applications: four swimming pools, three of them are also used as national best practices: hotel Žusterna, hotel Delfin, Dom paraplegikov and Terme Snovik.
- swimming pools whose owners are interested in the use of solar energy, which are examples of starting with thinking about the environmentally friendly operation.
